

Environment, Health & Safety Policy

Hanley is committed to protecting the environment and the health, safety and welfare of our employees and the communities where we operate

We will comply with the provisions of The Safety, Health and Welfare at Work Act 2005 and any associated regulations and codes of practice.

We will ensure as far as is reasonably practicable, the safety, health and welfare of all staff, contractors, visitors and relevant others.

We will implement and maintain a complete Safety Statement.

We regard care for the environment as an important and urgent task. We will manage natural resources wisely, avoid pollution, reduce emissions, and promote recycling within the organisation.

We will raise awareness on reducing emissions by promoting the Hanley Green Grants initiative.

Aidan O'Mahony
Managing Director
